The 2013 Mater Dei Football Camp will be held Monday, July 15, 2013, through Thursday, July 18, 2013. This camp is designed to make each camper a better football player, as well as to give them a greater understanding of the basics of football. The four days of camp will include individual and group instruction in all phases of the game of football, from offense to defense to special teams. Special attention will be given to the proper tackling technique; proper way to carry, throw and catch a football; and proper blocking techniques. The camp will include several competitions, including a “Punt, Pass and Kick Contest” for all campers. Campers are expected to work hard while also having fun and learning more about the game of football.
