ATTENDANCE POLICY (DP 5113r and MD 5113)

SCHOOL DAY

Mater Dei's official day begins at 8:10 a.m. and concludes at 2:50 p.m.

ABSENCES

A student is considered absent from a period when he/she is absent for more than ten (10) minutes of the period. For any type of absence, Mater Dei requires **both** of the following forms of verification:

- **A telephone call before 9:15 a.m.** from a parent/legal guardian to the Main Office (526 – 7216) on each day a student is absent.
- **A note explaining the reason for the absence**, written and signed by a parent/legal guardian, for the student's file. A student must present this note to the Main Office when he/she returns to school.

NOTE: When a student is absent for a portion of the school day, as a result of arriving any time after the first ten (10) minutes, he/she must first report to the Main Office to receive an admit slip.

Parents are advised to communicate with the school, particularly during a prolonged absence. Other than illness, medical or dental appointments, a death in the family, an emergency, or an absence that has been pre-arranged with the

Administration, a student is expected to be in daily attendance.

School officials are responsible for making a reasonable effort to notify a parent/legal guardian of a student's absence when the reason for the absence is unknown, for any absence not verified by both a telephone call and a note will be recorded as an unexcused absence.

DEFINITIONS OF ABSENCES

Excused Absence Illness, a medical or dental appointment, a death in the family, an emergency approved by the Administration, or a pre-arranged absence constitutes an excused absence.

Pre-Arranged Absence A college visit (seniors only) or a family vacation constitutes a pre-arranged absence. To be deemed excused, a pre-arranged absence requires a contemplated absence form and prior approval from the Administration. To receive a contemplated absence form, a student must present a note, written and signed by a parent/legal guardian, which states the date(s) of the college visit or family vacation. Primary considerations will be based on a student's academic status, discipline record, and total number of previous absences. After receiving the contemplated absence form, the student is responsible for obtaining his/her assignments from his/her teachers, which he/she must complete by the deadlines set by the teachers.

NOTE: For a college visit, a student must obtain approval from the College Placement Office at least one week prior to the visit. (After April 30, a student must obtain approval from the Principal.) Upon his/her return from a college visit, a student must present a verification form to the Main Office. (Should a student not present a verification form to the Main Office, he/she will be deemed absent.)

NOTE: Excluding an emergency beyond a student's and a parent's/legal guardian's control, exams are only given on scheduled exam days. Thus, a pre-arranged absence is not permitted on scheduled exam days.

Unexcused Absence An unverified absence, truancy, or leaving school early without signing out in the Main Office constitutes an unexcused absence. Additional examples of an unexcused absence include, but are not limited to, oversleeping, shopping, senior pictures, and hair appointments.

NOTE: An unexcused absence is a level two disciplinary infraction. In addition, teachers possess the option of recording a grade of zero for work assigned the day of an unexcused absence.

TRUANCY

When a student is absent from a class seven (7) periods or more in a semester, a meeting may be required with the student, his/her parent/legal guardian, the Assistant Principal, the Attendance Officer, and any or all of the following people: the student's teacher(s), the Campus Minister, and the Class Advisor.

When a student is absent without valid cause for 10% or more of the previous 176 regular daily attendance days, he/she may be deemed a "chronic truant" and referred to the Office of the Regional Superintendent of Schools for truancy intervention services (705 ILCS 405/3 - 33.5).

TARDIES

A student is tardy when he/she arrives in the classroom after the bell, but within the first ten (10) minutes. An accumulation of tardies will result in the following disciplinary action: a Monday detention for five (5) tardies in a quarter, a Saturday detention for ten (10) tardies in a quarter, and an in-school suspension for fifteen (15) tardies in a quarter.

LEAVING SCHOOL EARLY

When a student must leave school before dismissal, he/she must sign out in the Main Office. In addition, before a student is permitted to leave school before dismissal due to illness, he/she must call a parent/legal guardian for permission. Failure to follow these procedures will result in an unexcused absence or a truancy.

PERFECT ATTENDANCE

A student earns perfect attendance when he/she possesses no full-day absences, no more than eight (8) periods absent from all classes combined, **and** no more than two (2) college visits (seniors only). A senior who earns perfect attendance for four (4) years will be recognized for this accomplishment at Graduation.

DRESS CODE POLICY 2023-2024 UPDATED AND APPROVED MAY 8, 2023

The purpose of the dress code is to provide a sense of equality, school identity, and school unity among our students; to develop our students' ability to recognize the value of modesty and neatness in their appearance; and to reduce clothing costs. As such, the dress code contributes to the academic atmosphere of our school. Therefore, students who misuse the dress code will receive a dress code fine and be required to call home and to change in order to attend classes.

NOTE: The Administration reserves the right to revise the dress code when deemed necessary.

To ensure modesty, students are expected to appropriately button their shirts.

Sweatshirts: Long-sleeve sweatshirts that are solid navy, columbia blue, grey, or white and have a Mater Dei logo may be worn. Crew-neck sweatshirts meeting the same style, color and logo requirements must be worn over a dress code polo. Hooded sweatshirts meeting the same style, color, and logo requirements must be worn with hoods down.

Sweaters, Jackets and Coats May not be worn during the school day and must be stored in the student's locker.

PANTS, CAPRIS, AND SHORTS

Pants, capris, and shorts that are black, khaki, navy, or tan may be worn. (Shorts and capris may be worn in August and September.) Pants, capris and shorts must be worn on the hips in order to ensure that a student's undergarments are not visible. Shorts must possess a hemmed line and may be no more than three inches above the knee. Denim material, athletic style (nylon or rayon), "grunge" style, "hip hugger" style, oversized style and "skinny" style are not acceptable. Jeggings, as well as, slim fitting pants are not acceptable at any time. Belts are required for all male students.

FOOTWEAR

Closed-toe dress shoes or athletic shoes with visible socks or nylons must be worn at all times. Sandals, including crocs, are not acceptable.

GROOMING

A male student's hair must be groomed in a manner such that his bangs fall above his eyebrows, at least ¼ inch of his ears are visible, his hair does not touch his shirt collar, and his hair is not in a ponytail. Facial hair such as beards, mustaches and goatees are not permitted for students during the school year. Sideburns may not be longer than the student's earlobes. **The Administration reserves the right to require a male student to shave when deemed necessary.**

For both male and female students, extremes in both hair color and hair style are not acceptable. The Administration reserves the right to determine if a hair color or a hair style is extreme.

For both male and female students, visible body piercings, and visible tattoos are not acceptable. A single nose stud and ear rings, for female students are the only piercings allowed during the school day.

CONDUCT AND DISCIPLINE POLICY

(DP 5131, 5144pr and MD 5131.6)

PHILOSOPHY OF DISCIPLINE

A student has the right to a safe, comfortable, and professional environment which is conducive to effective learning. Moreover, a student has the right to receive discipline which is consistent with the mission, philosophy, and purpose of Mater Dei and will assist him/her in developing self-discipline and achieving success. Therefore, Mater Dei Catholic High School has established a conduct and discipline policy which is based on **respect** – a student's respect for himself/herself; respect for his/her peers and their individuality; respect for the administration, teachers, and staff; and respect for Mater Dei.

At all times, specifically on campus and off campus when school is in and out of session, a student is expected to demonstrate behavior which reflects the expectations, principles, and discipline policies of Mater Dei Catholic High School. Therefore, should a student's conduct be inconsistent with the expectations, principles, and discipline policies of Mater Dei Catholic High School or cause a material or substantial disruption in or interference with the educational process of students or the orderly operation of Mater Dei Catholic High School he/she will be subject to disciplinary action. Should a student choose to independently report his/her misconduct (self-report), the Administration will consider this fact when determining disciplinary action. All final decisions concerning discipline, including those which may not be covered in the handbook, will be the responsibility of the Assistant Principal.

LEVELS OF DISCIPLINE

In order to maintain consistency and fairness when responding to disciplinary infractions, Mater Dei has established the following levels of discipline:

Level One Level one infractions are inappropriate behaviors of a minor nature which occur infrequently. Examples include, but are not limited to, eating or drinking in the academic building, failing to bring appropriate materials to class, failing to do homework, talking excessively in class, and displaying inappropriate behavior in class.

Level one infractions are documented and addressed by the teacher in a manner which is consistent with both his/her class policies and Mater Dei's philosophy of discipline. Additionally, the teacher is expected to contact a parent/legal guardian to prevent the behavior from escalating to a level two infraction.

Level Two Level two infractions are inappropriate behaviors of a minor nature which occur with greater frequency. (Level two infractions are not specific to a single class.) Examples include, but are not limited to, repeatedly displaying inappropriate behavior in classes, the cafeteria, or the hallways; repeatedly defying class policies; failing to adhere to the dress code policy; accumulating five or more tardies in a quarter; obtaining an unexcused absence or truancy; and leaving the building without permission.

Level two consequences include, but are not limited to, notifying a parent/legal guardian, loss of applicable privileges, serving detentions with the teacher, serving Monday detentions (2:55 pm to 3:45 pm), serving Saturday detentions (8:00 am to 10:00 am), or serving in-school suspensions.

NOTE: After serving two Monday detentions for a level two infraction, a student will serve a minimum of a Saturday detention for additional level two infractions.

Level Three (In-School Suspension) (DP 5114 and MD 5114) In-school suspensions will be served from 8:10 a.m. to 2:50 p.m. on school days and in an assigned area designated by the Administration. On the day(s) of his/her in-school suspension, a student will receive credit for attendance, but will lose the privilege of attending or participating in any activity related to Mater Dei. During the in-school suspension, a student will complete activities designed by the Administration to aid him/her in modifying his/her behavior. In addition, a student will complete his/her assignments, which the teachers will provide, with due dates, at the request of the Administration.

NOTE: After serving three in-school suspensions in a school year, a student will serve an out-of-school suspension, with possible recommendation for expulsion, for additional in-school suspension infractions.

Level Four (Out-of-School Suspension) (DP 5114 and MD 5114) Out-of-school suspensions will begin immediately after notifying a parent/legal guardian. On the day(s) of his/her out-of-school suspension, a student will not receive credit for attendance and will lose the privilege of attending or participating in any activity related to Mater Dei. Additionally, the Administration reserves the right to withhold credit for academic work assigned during the out-of-school suspension. The Administration, a parent/legal guardian, and the student must meet within ten school days to consider reinstatement or expulsion. To be reinstated, the student and a parent/legal guardian must sign a probationary contract designed to meet the needs of both the student and Mater Dei. Should a parent/legal guardian be dissatisfied with the action taken by the Administration or the probationary contract written by the Administration, he/she shall have recourse to the Board of Education.

Level Five (Expulsion) (DP 5114 and MD 5114) Immediately after notifying a parent/legal guardian of an out-of-school suspension, and subsequent to the recommendation of the Administration, the Board of Education, and the Office of Education for the Diocese of Belleville, Mater Dei will consider the recommendation for expulsion.

APPEAL – PROCESS OF It is the policy of Mater Dei Catholic High School to afford every student the full benefit of appeal. To that purpose, the procedures for disciplinary action described above have been designed. At all meetings with the administration during the appeals process, the student and parents may request that their school board representative to be present. If the student and parents are dissatisfied with the action of the administration, they may appeal for an appearance before the school board. Permission to be on the agenda of a school board meeting may only be obtained by contacting the president of the school board. The school board may only review the process and procedure of a particular issue. Administrative decision can only be overturned by the school board if the school's policies and procedures were not followed by the administrator. If satisfaction is not reached with the school board, an appeal may be made to the Diocesan Office of Education.

FINES

Mater Dei issues monetary fines for the following infractions:

drink/candy/gum	\$5.00	
dress code	\$10.00	The student will be required to change into proper dress code.
parking	\$25.00	(A parent/legal guardian will receive written notification.)
phone usage	\$10.00	
shaving	\$10.00	
smoking	\$25.00	(A parent/legal guardian will receive written notification.) This includes e-cigarettes & vaping.

A student must pay his/her fine within one (1) week of its receipt. After one (1) week, the fine will be doubled and a student may receive a Saturday detention. In addition, after a student receives three (3) fines in a quarter, a parent/legal guardian will receive written notification.

HARASSMENT, INTIMIDATION, AND INTOLERANCE (DP 4116.2, 5142.2)

Because the safety and welfare of all students is of the highest priority, Mater Dei expressly prohibits any form of harassment, intimidation, and intolerance, including cyber bullying, of an individual student, a group of students, or an employee which is racial or sexual in nature; motivated by a desire to exercise power; or motivated by an actual or a perceived characteristic, including, but not limited to race, nationality, ethnic origin, religious affiliation, gender, sexual orientation, disabilities and handicaps.

A student who feels he/she has experienced harassment, intimidation, or intolerance by a student or an employee should immediately report the incident to a teacher, administrator, or other employee he/she is confident will provide him/her with assistance and inform the Administration. There is a SAFE (SNAP) box located outside the school library for anyone to report a situation of intimidation or harassment to the administration. This allows the complaint to be reported in an anonymous way.

A student who engages in harassment, intimidation, or intolerance will be subject to disciplinary action (level two to level five), including possible recommendation for expulsion. For more information, review the Mater Dei High School

Bullying and Harassment, Prevention, Intervention and Response Plan.

HAZING

Mater Dei Catholic High School does not tolerate any form of hazing by any student, groups of students, or organizations associated with Mater Dei Catholic High School. Any hazing of a student or a group of students will result in level three disciplinary action.

THREATS AND ACTS OF VIOLENCE (DP 5142.1)

Because the safety and welfare of all students is of the highest priority, Mater Dei will take seriously any written or verbal threat of violence toward a student or an employee, including those made via cyberbullying. A student who has been threatened, is aware of a threat, or feels a conflict may escalate to an act of violence should immediately inform a teacher, administrator, or other employee he/she is confident will provide him/her with assistance to peacefully resolve the conflict and/or inform the Administration.

Because threats and acts of violence are unacceptable, under all circumstances, a student who engages in such conduct will be subject to disciplinary action (level two to level five), including possible recommendation for expulsion. Upon learning of a threat of violence, the Administration will take immediate action, which will include a non-disciplinary suspension of the student into the custody of a parent/legal guardian until a satisfactory psychological evaluation is completed by a licensed mental health professional and the Administration agrees that the student may return to school. Additionally, the local police will be promptly notified of the threat of violence.

WEAPONS (DP 5142)

Because the safety and welfare of all students is of the highest priority, a student, of any age, who is in possession of a weapon on Mater Dei property or at a Mater Dei related activity will be subject to disciplinary action (level four or level five), including an automatic and immediate ten-day suspension, possible recommendation to the Board of Education for permanent expulsion, possible arrest, and possible prosecution as an adult. A student is deemed in possession of a weapon when he/she carries any type of weapon to, on, or from Mater Dei property; or to, at, or from a Mater Dei related activity; regardless of if the weapon is on his/her person or if he/she intends to use the weapon in a harmful manner. Items which are not normally considered weapons, but are threatened to be used as such, will be considered weapons. If a student knows of a student who might be a threat or in possession of a weapon on campus, they are expected to report the situation immediately to a faculty member or an administrator. Their names will be withheld and their privacy protected.

GANG ACTIVITY, POSSESSION OF STOLEN PROPERTY, THEFT, VANDALISM AND OTHER INCIDENTS OF GROSS DISOBEDIENCE OR MISCONDUCT (DP 5142)

Because the safety and welfare of all students is of the highest priority, Mater Dei expressly prohibits gang related activities. When a student is suspected of participating in gang related activities, the local police will be promptly notified.

In addition, a student who is in possession of stolen property or who engages in theft, vandalism or other incidents of gross disobedience or misconduct, as determined by the Administration, on Mater Dei property or at a Mater Dei related activity will be subject to disciplinary action.

SEARCH AND SEIZURE (DP 5115 and MD 5133)

The Principal or his/her designee is free to enter a student's locker, desk, electronic devices, and school bag at any time to search for questionable items. Students shall not have any exception of privacy as it relates to the aforementioned items. The school is owner of all lockers and desks and shall retain full control of their use and content. Therefore, the school reserves the right to search them at any time without notice. Searches may also be selective and carried out even if there are no reports of wrongdoing. If illegal or improper items are found (i.e. non-prescription drugs, weapons, stolen property), the items will be given to law enforcement officials. If personal possessions violate school rules, the items will be kept by the Administration and returned to a student's parent/legal guardian. Mater Dei will never require a student to provide a password or other related account information in order to gain access to the student's social networking account or profile, without having a credible concern or suspicion of an unacceptable post.

The Administration also reserves the right to search a student's vehicle when it is on school property or when it is used to attend a school sponsored event off school property.

When a search of a student is required, the student will be asked to empty his/her pockets, school bag, and/or purse. (Body searches will not be conducted.) If a student voluntarily complies, such action will not be considered an invasion of the person. If a student does not voluntarily comply, his/her parent/legal guardian will be contacted and expected to come to school and conduct the search in the presence of the Administration. A parent's/legal guardian's refusal to comply with the request will be grounds for immediate expulsion.

Mater Dei Catholic High School will never require or request a student to provide a password or other related account information in order to gain access to the student's account or profile on a social networking website.

INTERROGATIONS OR ARRESTS

Should law enforcement officials arrive at Mater Dei to interrogate or to arrest a student, the Administration will implement the procedures set forth by the Office of Education for the Diocese of Belleville. In part, “. . . [if] a law enforcement representative comes to the school during school hours to question a student, . . . [t]he Principal shall request that the student be interviewed/contacted at home rather than on school property during the legal school day unless there is a judicial order or subpoena, written consent of the parent or guardian of a student under 18, written consent of a student who is 18 or older, or the person is with the Department of Children and Family Services. If [these] conditions are not present and a law enforcement representative still wants to proceed, . . . [t]he Principal shall attempt to . . . [notify] . . . the parent/guardian and if the parent/guardian desires, the Principal should not allow the interview to commence without the parent/guardian.” A student or a parent/guardian may contact the Main Office to review the complete “Procedure on Law Enforcement Interrogation of Students” policy.

USE OF TOBACCO (MD 1430) AND E-CIGARETTES

Because the safety and welfare of all students is of the highest priority and both tobacco and second-hand smoke are acknowledged health risks, the Board of Education has declared Mater Dei a smoke-free zone. A student is in violation of this policy when he/she uses or is in possession of any form of tobacco, which includes E- Cigarettes.

For the first violation of this policy during a school year, a student will receive a \$25.00 fine, serve an in-school suspension, and a parent/legal guardian will receive written notification. For additional violations of this policy during a school year, a student will receive a \$25.00 fine, serve a 2 day in-school suspension, and a parent/legal guardian will receive written notification. Students may be required to participate in a Vaping, Smoking Session Planning course deemed appropriate by the Administration.

LOCKERS AND LOCKS

A student is permitted to go to his/her locker between all periods, but **not** after first lunch or after split lunch.

A student will be assigned a locker, from which he/she may not move without approval from the Administration, and will receive a combination lock. A student is responsible for all items kept in the locker, specifically books or other Mater Dei property and his/her personal property. In addition, a student is responsible for maintaining the condition of the locker by preventing damage to the locker. Thus, he/she must exercise care when opening and closing the locker, may not attach items to or write on the locker, and may not store food or beverages in the locker (with the exception of a lunch brought from home). Finally, because all lockers are the property of Mater Dei, Mater Dei serves as the co-tenant of all lockers and may inspect a locker at any time.

A student who tampers with a lock or a locker, attempts to open a lock or locker, or enters a locker without permission will be subject to disciplinary action.

HALL PASSES

To leave a class, a student must possess a hall pass. (Only one student may be named on a hall pass.) Upon his/her return to class, a student must return the hall pass to the teacher. (Should a student not return to class, the teacher with whom the student is working will return the hall pass to the student’s teacher.)

A student who misuses, forges or alters a hall pass, or knowingly utilizes a forged or altered hall pass will be subject to disciplinary action.

UNAUTHORIZED AREAS

A student who is unsupervised is not permitted, under any circumstances, in the teachers’ workroom or lunchroom, in the kitchen, behind the counter in the Main Office, or in other areas deemed unauthorized by the Administration.

LUNCH PERIOD (LAMPE COMMONS AND CLOSED CAMPUS)

A student must proceed directly to the Lampe Commons at the start of his/her lunch period and must return directly to his/her class after his/her lunch period. During his/her lunch period, a student must remain in the Lampe Commons, in the hallway between the Lampe Commons and the library, or in the library. (All other areas are unauthorized during the lunch periods including locker rooms, gym areas, and band room.) A student must keep his/her food and beverages in the Lampe Commons.

A student may not leave Mater Dei during his/her lunch period or have food or beverages delivered to Mater Dei during school hours. A student who leaves Mater Dei during his/her lunch period will be deemed truant. Should he/she utilize his/her vehicle, a student will lose his/her privilege to drive on Mater Dei property for the following lengths of time: two weeks for the first violation, four weeks for the second violation, and the remainder of the school year for the third violation. In addition, a parent/legal guardian will receive written notification.

DRIVING AND PARKING

A student who drives to Mater Dei must park his/her vehicle on the south parking lot. A student who parks on the west parking lot, north parking lot, or circle drive, or parks in a manner which blocks a vehicle, blocks a lane or is deemed inappropriate by the Administration will receive a \$25.00 fine and a parent/legal guardian will receive written notification.

After leaving his/her vehicle, a student must obtain written permission from a teacher or an administrator to return to his/her vehicle, for any reason, during school hours, which includes the lunch periods.

In addition, a parent/legal guardian will receive written notification.

For only academic purposes approved by a teacher or an administrator, students are permitted to utilize communication and electronic devices (i.e. e-book readers, and laptop or tablet computers) during school hours. When a student is not utilizing a device for an approved academic purpose, he/she must keep the device off and in his/her bag during school hours. (Should a student need to contact a parent/legal guardian during school hours, he/she must utilize the phone in the Main Office.)

Students are not permitted to have a cell phone in their possession during class time. Cell phones will be required to be "parked" in the cell phone parking lot from the time the student enters the classroom until the bell rings at the end of class.

1st Offense: The teacher will give the student a fine and the phone will be turned into the Assistant Principal's office, where the student picks it up after school.

2nd Offense: Same as the first offense plus the parent will be asked to pick up the phone after school. This offense will be considered a level two infraction regarding level of discipline.

3rd Offense: Same as the first two as well as the student will be required to check in their phone to the Assistant Principal at the beginning of the school day and may retrieve the phone after the school day is completed. The Assistant Principal will determine how long the student will be required to check in their phone each day.

According to the teachings of the Catholic Church and Mater Dei, pre-marital sex is morally wrong. In addition, an expectant mother and father's first responsibility is to their unborn child, in regard to care, love, and financial support. Therefore, in order to provide support to the expectant mother and/or father, counseling shall be required for the duration of the pregnancy.

The Administration may approve a program which enables the expectant mother to complete the graduation requirements. Thus, an expectant mother may have the opportunity to receive a diploma from Mater Dei.

STUDENTS WHO HAVE CHILDREN (MD 5138)

According to the teachings of the Catholic Church and Mater Dei, pre-marital sex is morally wrong. In addition, a young mother and father's first responsibility is their newborn child, in regard to care, love, and financial support. For these reasons, a student who becomes a mother or a father shall not be permitted to participate in extracurricular activities until, at minimum, the child's first birthday. Additionally, counseling for the student shall be required until, at minimum, the child's first birthday. Before conducting a search, a school official, when possible, must obtain the assistance of a second school official for the search. If illegal drugs, drug-related paraphernalia, or unauthorized prescription drugs are found during the search, the school official(s) will inform a student's parent/legal

guardian of the item(s) found and request an immediate meeting.

A student is reminded that although his/her participation in an activity is voluntary, his/her participation is a privilege, not a right. Therefore, a student is expected, as in class, to demonstrate behavior which reflects the expectations, principles, discipline policies, and substance abuse policy of Mater Dei.

In addition, by choosing to participate in an activity, a student agrees to abide by all additional policies, including, but not limited to, the policies of the moderator or coach of the specific activity; the athletic department, when applicable; and the Illinois High School Association (IHSA), when applicable. The *Mater Dei Catholic High School Athletic Handbook* is provided in this handbook. The "Key Provisions Regarding IHSA Rules" is provided on the Mater Dei website, www.materdeiknights.org ("Athletics" menu, "Athletic Policies" page). Mater Dei will ensure that all additional policies are consistent with the philosophy of Mater Dei. A student may obtain additional information by contacting the moderator or coach listed below.

NOTE: A student who is not in attendance by 11:30 am will not be permitted to participate in extracurricular or co-curricular activities held at any time during that school day, unless he/she has received prior permission from the Administration.

COMPUTER USE POLICY

(DP 1341pr)

Computers play an integral role in the educational process by providing students with access to resources which supplement and enrich the curriculum. All Mater Dei students will receive introductory training on a school-wide computer network and are assigned an account. The use of a network provides greater flexibility in scheduling, eliminates the need for student data disks, and protects against unauthorized and/or intrusive software. These advantages, however, are offset by the potential for abuse by users of the network. Students are taught to protect their files with passwords and are discouraged from allowing others to use their personal accounts. A student who accesses, attempts to access, damages, or attempts to damage accounts and/or files which are not his/her accounts and/or files will be subject to disciplinary action, including, but not limited to, loss of his/her computer privileges for a minimum of 10 school days and maximum of 30 school days.

UNAUTHORIZED USE

Unauthorized use of Mater Dei's computer network by a student may result in the denial of the use of computer services, suspension or expulsion of the student. Unauthorized use of Mater Dei's computer facilities in violation of any copyright or license, or the unauthorized disclosure of confidential information obtained through the use of Mater Dei's computer facilities may, in addition, result in legal action. Examples of inappropriate and unacceptable use of computing and networking resources include, but are not limited to:

1. the use of computer accounts, access codes, or network identification numbers assigned to others without the written permission of a teacher;
2. the use of the Mater Dei computer facilities for personal gain or commercial activities unrelated to the high school;
3. the violation of copyrights and software license agreements;
4. the use or development of programs that harass other users or infiltrate, damage or alter the computer system or its software;
5. the inspection, distribution, reproduction, modification or destruction of school or other students' files, tapes, records, programs, passwords, mail, or data, without proper authorization, or attempt to do so;
6. the use of computer facilities for recreational purposes (i.e., computer games) which is unrelated to an instructional program or training;
7. the destruction of or damage to equipment, software, or data belonging to Mater Dei or other computer and network users;
8. the violations of computer system security, including but not limited to obtaining, possessing, using, or attempting to use passwords or other information about someone else's account;
9. the use of computer and/or network facilities, resources, or services in ways that impede the computing activities of others;
10. the violation of the usage policies and regulations of the networks of which the school is a member or which at least has authority to use;
11. the violation of another user's privacy;
12. the academic dishonesty such as plagiarism or cheating.

INVESTIGATIONS

Whenever there is an allegation of unauthorized use, the Administration may authorize an investigation. In the event of any investigation, the Administration shall have the authority to examine all files, passwords, printouts, tapes, accounting information or such other material that may aid in the investigation. The failure of a student to cooperate with any investigation may, in addition to disciplinary action, result in the cancellation of computer privileges.

COMPUTER AND INTERNET ACCEPTABLE USE AGREEMENT

Internet access is available to students and teachers at Mater Dei. We are very pleased to offer this access and believe the internet offers vast, diverse, and unique resources to both students and staff. Our goal in providing this service to teachers and students is to promote educational excellence by facilitating resource sharing, innovation, and communication. The internet is an electronic highway connecting thousands of computers world-wide and millions of individual users.

Students and staff have access to:

1. Limited electronic mail communication with people all over the world.
2. Information and news from government sources, research institutions, and other sources.
3. Public domain software and shareware of all types.
4. Selected discussion groups on a wide range of topics.
5. Many public and private libraries, the Library of Congress, and the Educational Resources Information Clearinghouses.

With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the context of a school setting. On a global network it is impossible to control all materials, and an industrious user may discover controversial information. We firmly believe that the valuable information and interaction available on this worldwide network far outweigh the possibility that users may procure material that is not consistent with the learning outcomes of the district.

Life is a series of choices and consequences. Mater Dei has chosen to make internet resources available to students, and the consequence is that they will have access to far more information than if they had to rely on their school's library. If a student chooses to use these resources for finding information that will be of assistance in learning, the consequence will be continued access to the Internet. If a student chooses to access resources that are objectionable, adult-oriented, or restricted, he/she may be subject to disciplinary action.

COMPUTER AND INTERNET TERMS AND CONDITIONS

Acceptable Use The original purpose of the internet was, and largely still is, to support research and education in and among academic institutions in the United States by providing access to unique resources and the opportunity for collaborative work. The use of school computers must support education and research that is consistent with the learning outcomes of Mater Dei. Use of another organization's network of computing resources must comply with the rules appropriate for that network. Transmission of any material in violation of any U.S. or state regulation is prohibited. This includes, but is not limited to, copyrighted material, threatening or obscene material, or material protected by trade secret.

Computer and Network Etiquette Users are expected to abide by the generally accepted rules of network etiquette. These include, but are not limited to, the following:

1. Be polite. Do not utilize abusive language in messages to others.
2. Use appropriate language. Do not swear, use vulgarities or any other inappropriate language. Illegal activities are strictly forbidden.
3. Do not reveal personal addresses, phone numbers, or passwords of students, teachers, administrators, or other staff of Mater Dei, including yourself.
4. Note that electronic mail (email) is not guaranteed to be private. People who operate the system do have access to all email. Messages relating to or in support of illegal activities may be reported to the authorities.
5. Do not use the computers or the network in such a way that you would disrupt the use of the network by others.
6. All communications and information accessible via the network should be assumed to be private property (copyrighted).
7. Hate mail, harassment, discriminatory remarks and other antisocial behaviors are prohibited on the computers or network. Therefore, messages should not contain profanity, obscene comments, sexually explicit material, or expressions of bigotry or hate.
8. Student purchases through the Internet are not allowed on Mater Dei accounts.
9. From time to time, Mater Dei system administrators will make determinations on whether specific uses of the network are consistent with the acceptable use practice.

Accuracy of Information Use of any information obtained via the Mater Dei computer systems is at your own risk. Mater Dei specifically denies any responsibility for the accuracy or quality of information obtained through school accounts. Information (including text, graphics, video, etc.) from internet sources used in student papers and reports should be cited in the appropriate manner.

Security Security on any computer system is a high priority, especially when the system involves many users. If you feel you can identify a security problem on the internet, you must notify a teacher or administrator. Do not demonstrate the problem to other users. Users shall not intentionally seek information on, obtain copies of, or modify

files, other data, or passwords belonging to other users, or misrepresent other users on the network. Attempts to gain unauthorized access to system programs or computer equipment will result in appropriate disciplinary action. Downloading of information onto the network hard drives of Mater Dei computers is prohibited; all downloads must be to a student's personal flash drive. Any user identified as a security risk or having a history of problems with other computer systems may be denied access to school computers and face other disciplinary action.

MATER DEI CATHOLIC HIGH SCHOOL
ATHLETIC HANDBOOK
(DP 6145.2)
(revised August 12, 2013)

I. IHSA REGULATIONS

All students involved in interscholastic athletics are required to adhere to all IHSA regulations, including regulations regarding athletic eligibility. The “Key Provisions Regarding IHSA Rules,” which details IHSA athletic eligibility rules, is provided on the Mater Dei website, www.materdeiknights.org (“Athletics” menu, “Athletic Policies” page). Questions regarding a student’s eligibility must be directed to the Principal, who possesses the complete *IHSA Handbook*.

II. ATHLETIC HANDBOOK AND PERMIT AGREEMENT

A student participating in athletics will receive this athletic handbook. Both a student and his/her parent(s) must sign an agreement card indicating that they are aware of the policies and agree to abide by the policies.

III. PHYSICAL EXAMINATION

A student must have a physical examination card, properly signed by the attending physician, on file with his/her coach.

IV. ABSENTEEISM AND TRUANCY

While athletics play an integral role in the education program, the phrase “student – athlete” indicates that a student’s academic responsibilities have priority over his/her athletic responsibilities. Moreover, an athlete must serve as a model student. Thus, regular attendance to both school and practice is mandatory.

- A. **ABSENTEEISM** A student who is not in attendance by 11:30 a.m. will not be permitted to participate in athletic activities held at any time during that school day, unless he/she has received prior permission from the Administration.

- B. **TRUANCY** Because truancy reflects not only on an individual student, but also on his/her team and the entire athletic program, a student deemed truant by the Administration will be reported to his/her coach.

V. UNIFORMS, EQUIPMENT, AND LOCKS

After receiving his/her uniform, equipment, and lock, a student is responsible for those items. If an item is lost or damaged, the student will reimburse Mater Dei for the cost of replacing the item.

VI. TRAINING REGULATIONS, MISCONDUCT, AND PENALTIES

As an athlete, a student is observed by both his/her fellow students and the community, regardless of his/her desire for such recognition. Moreover, observations of a student’s conduct extend to his/her private life. Finally, a student’s conduct reflects not only on him/her, but also on his/her team and the entire athletic program. Therefore, a student is expected to demonstrate high caliber behavior at all times. Therefore, in addition to the policies stated in the *Student Handbook* and the *IHSA Handbook*, a student is subject to the policies stated in this handbook at all times, specifically on campus and off campus when school is in session and out of session.

In the event that a student is accused of violating a policy stated in this handbook, he/she will meet with the Assistant Principal, Athletic Director, and coach to discuss the alleged violation, after which the Assistant Principal, Athletic Director, and coach will determine appropriate disciplinary action. When

applicable, such disciplinary action will be consistent with the policies established by the coach and the policies stated in this handbook, the *Student Handbook* and the *IHSA Handbook*.

A. SUBSTANCE ABUSE The terms utilized in this substance abuse policy, are defined as follows:

athletic contests official team events scheduled by the Athletic Director. Additional events scheduled by a coach (such as a “blue and white” game or public performance) or events involving individual team members (such as the IHSA three-point contest) do not meet the definition of athletic contests. An athletic contest which is canceled or for which a student is ineligible, due to academic, attendance, or disciplinary policies, will not fulfill a suspension.

in-season after the IHSA sanctioned start date, when a student is a potential member (during try-outs) or an official member of an athletic team.

out-of-season before the IHSA sanctioned start date, when a student is not a potential member (during try-outs) or an official member of an athletic team.

school year begins the day after the last day of a school year (including the summer) and ends the last day of the next school year. (example: if the 2018 - 2019 school year ends May 23, 2019, the 2019 - 2020 school year will begin May 24, 2019, and will end on the last day of the 2019 - 2020 school year)

suspension period during which a student is not permitted to participate in athletic contests. At the discretion of the coach, a student is permitted to practice, unless he/she is ineligible due to academic, attendance, or disciplinary policies. In addition, before the end of the season, should a student remove himself/herself or be removed by the coach from the athletic team of which he/she was an official member at the time he/she served a first or second violation suspension, the suspension will be considered unfilled and reinstated for the next athletic team of which he/she is an official member, regardless of school year.

violation possessing, consuming, or being under the influence of tobacco, vaping, e-cigarettes, illegal drugs, or unauthorized prescription drugs; possessing drug-related paraphernalia; selling, distributing, or attempting to sell or distribute tobacco, illegal drugs, unauthorized prescription drugs, or drug-related paraphernalia. A violation of this substance abuse policy is not based on legal action.

1. First Violation (in a school year)

For the first violation in a school year, when occurring in-season or out-of-season, a student will be suspended from the next two athletic contests (one contest for football) in which he/she is an official member of an athletic team.

NOTE: Until fulfilled, the first violation suspension will continue to the next athletic team of which a student is an official member, regardless of school year.

2. Second Violation (in a school year)

NOTE: When a student and/or his/her parent(s) are forthcoming to the Administration regarding his/her second violation, either voluntarily or when initially questioned by the Administration, the second violation will be classified as in-season or out-of-season based on the date of the second violation.

However, when a student and/or his parent(s) are not forthcoming to the Administration, either voluntarily or when initially questioned by the Administration, and the Administration later verifies the second violation, the second violation will be automatically classified as in-season. In this case, if a student is not a potential member (during try-outs) or an official member of an athletic team at the time of

the second violation, he/she will be suspended from all athletic contests for the next athletic team of which he/she is an official member, regardless of school year.

- a. out-of-season For the second violation in a school year, when occurring out-of-season, a student will be suspended from 50% of the athletic contests for the next athletic team of which he/she is an official member, regardless of school year.

NOTE: After the Athletic Director determines that a schedule is complete, a set number of athletic contests will be calculated. If a student must fulfill a first violation suspension, this calculation will not include those athletic contests. In addition, schedule changes occurring after this calculation will not be considered.

- b. in-season: For the second violation in a school year, when occurring in-season, a student will be suspended from the remainder of athletic contests for the athletic team of which he/she is a potential member (during try-outs) or an official member.

NOTE: If a student has not fulfilled his/her first violation suspension at the time he/she is removed from the athletic team, the first violation suspension will continue to the next athletic team of which he/she is an official member, regardless of school year.

3. Third Violation (in a school year)

For the third violation in a school year, in-season or out-of-season, a student will be suspended from all athletic contests for a period of 365 days from the date on which the Administration verifies the third violation.

4. Fourth Violation (cumulative)

For the fourth cumulative violation, regardless of school year, a student will not be permitted to participate on an athletic team for the remainder of his/her high school career.

- B. MISCONDUCT Should a student conduct himself/herself in a manner which is deemed unacceptable by the Principal, Assistant Principal, Athletic Director, or coach, he/she will be subject to disciplinary action deemed appropriate by the Assistant Principal, Athletic Director, and coach. When applicable, such disciplinary action will be consistent with the policies established by the coach and the policies stated in this handbook, the *Student Handbook* and the *IHSA Handbook*.

VII. ATHLETIC AWARDS

- A. ATHLETIC LETTERS In order to receive a letter, a student must meet the following requirements:

1. General Requirements

- a. A student must adhere to both the letter and the spirit of all policies established by the coach and the policies stated in this handbook.
- b. A student must complete the sport season. Under special circumstances, such as an accident, an injury, or an illness, a coach may recommend to waive this requirement.
- c. A student must not violate the policies stated in this handbook for a second time in a school year. More specifically, after violating the policies stated in this handbook for a second time in a school year, a student will be ineligible to receive a letter in the sport in which he/she was participating at the time of the second violation. (After violating the policies stated in this handbook for the first time in a school year, a student will be eligible to receive a letter in the sport in which he/she was participating at the time of the first violation.)

2. Specific Requirements

- a. A student must meet the requirements for earning a letter which are established by the coach. The coach will inform a student of these requirements at the start of the sport season. Under special circumstances, a coach may recommend to waive this requirement.
- b. A freshman student will receive the numerals of his/her graduation year.
- c. A freshman or sophomore student who successfully completes a sports season as a member of a junior varsity team will receive a junior varsity letter.
- d. A student who serves as a manager or a statistician will be eligible to earn a letter.
- e. After receiving his/her first letter, a student will receive a bar for each additional letter he/she earns (i.e. a student will receive only one letter during his/her career at Mater Dei).

B. SPECIAL TROPHIES AND AWARDS In addition to earning letters, a student may earn outstanding achievement awards, which his/her coach will award at the Athletic Awards Banquet. Moreover, the following awards are presented at the end of the school year: the Steve Becker Award, the *St. Louis Post-Dispatch* Scholar - Athlete Award, and the Army Reserve Scholar- Athlete Award.

C. ATHLETIC AWARDS BANQUET All students earning a varsity letter will be honored at an Athletic Awards Banquet. These banquets will be held at the close of the Fall, Spring, and Winter sports seasons.

VIII. ATHLETIC EMERGENCY ACTION PLAN

1. Mater Dei Catholic High School has adopted an official Emergency Action Plan in regards to Athletics and Extracurricular Activities. This plan is shared with all coaches and official personnel who might be engaged with the welfare of our students. Copies are available in the main office.
